12<sup>th</sup> April

**Teo Tyson**

15<sup>th</sup> April

**Roman Panin**

15<sup>th</sup> April

**George Roberts**

20<sup>th</sup> April

**Sienna Saywell-**

**Lannoy**

21<sup>st</sup> April

Dear Parents,

### Safety

I wanted to take this opportunity to talk about an important safety issue in our school. Unfortunately, some cars are driving too fast into, through, and out of the taxi area. For everyone's safety, I would like to kindly remind everyone that the **speed limit in this area is 10 km/h**. Adhering to this limit helps ensure that our students can safely get in and out of vehicles.

I appreciate your cooperation in driving slowly and watching for our students. Together, we can make our school a safer place.

If you have any questions or concerns, please don't hesitate to reach out.

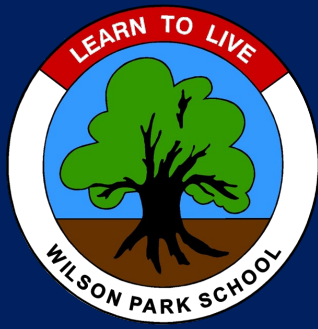

### Healthy Harold

Healthy Harold from the Life Education van will be coming to visit the students in the Primary school next Tuesday 8<sup>th</sup> April. **Fun fact**, Healthy Harold has been supporting the physical, social and emotional wellbeing of children and young Australians for over **45 years**. Students at Wilson Park school always enjoy the engaging fun learning experience. Classes will be exploring the topics of friendship, safety and feelings.

### Come and Try Athletics

Students from classes 7,9,10 and 11 will travel on a Simes coach to Kingscliff on Tuesday 8<sup>th</sup> April to participate in the North Coast Schools Sports Association Come and Try Athletics day. Come and Try Athletics days, give students the opportunity to experience athletics, in an enjoyable, non-competitive setting. Students have the chance to participate in a variety of races on the track, as well as modified field events.

TERM 1 WEEK 10

1st April 2025

**Harmony Week** - Monday 17 - Sunday 23 March 2025  
Harmony Week is the celebration that recognises our diversity and brings together Australians from all different backgrounds. It's about inclusiveness, respect and a sense of belonging for everyone. This beautiful artwork was created by the students of Class 10. Ms Johnston explains the meaning behind the colours chosen for the artwork.

"Class 10 worked together to produce a collaborative piece of art with colours to symbolise different things.

**Orange** is the colour of Harmony Week promoting respect and inclusion. The **blue** background symbolises the sky that we all share as people. The **yellow** circle symbolises the sun. The **green** and **gold** of Australia are our national sporting colours. The curved symbols represent people. The colours of **red, brown, black** and **green** were selected from our Wilson Park School logo to celebrate everyone at Wilson Park belonging."

### External Service Providers

Thank you for your patience as we have taken the time to find a model that allows us to work collaboratively with allied health professionals to ensure the best support for the students at Wilson Park School. We currently have an enrolment of 82 students. Every student has a team of therapists, support agencies and medical professionals supporting them. The sharing of information amongst this multidisciplinary team is invaluable to support the learning of all students. Recently requests for therapy sessions and observational visits from therapists has increased substantially. For this reason, to equitably meet the needs of all Wilson Park students and to comply with NSW Department of Education policies we have adjusted our school policy to allow for the ongoing exchange of information between therapists and classroom teachers. An information letter explaining the process will be sent out to all families by the end of the week.

Regards,

*M*  
Megan McQueen  
Principal

## SCHOOL HOLIDAYS!!

**End of Term** - Term 1 is nearly over.

Next **Friday 11<sup>th</sup> April** is the last day of term.

**Students return on Wednesday 30<sup>th</sup> April.**
